Recycling - Solid Waste Dept. .... Page 13

Thank You for Making Recycling  
A Success in Clinton!

Dear City of Clinton Residents,

The Solid Waste Department is writing to all of you to say, “Thank you,” for all of your efforts for making recycling a priority in your home every day. For several years, the same conversation was brought up about how to make our recycling program more viable. The answer rested in making the recycling program user friendly with one cart.

Single – Stream recycling started on October 2, 2017 in Clinton. The first month of recycling increased by 33 tons. The solid waste collected for the first month decreased by 22 tons. As our program has completed the first year, we have recycled a total of 981 tons of recycling. This is 517 more tons than the year before! How did we do on the reduction of waste for the first year? A reduction of 426 tons were reduced from going to the landfill!

There are two questions currently being asked: When will recycling stay in Clinton County and when will this program become weekly? First question, the City of Clinton belongs to the Clinton County Area Solid Waste Agency. CCASWA is working on transforming their recycling center into a single-stream recycling transfer facility. Once they are ready, we will transport our recycling to them.

The second question, when can we do this weekly? First, there are some operational changes that will be needed. We must justify that change and cost. Second, our staff are keeping track on the numbers who is recycling on which week and how changes for the future could be affected. Stay tuned as we continue working on our solid waste and recycling programs.

Finally, thank you to each of you for taking recycling seriously and making a lasting impact on our environment. We always welcome your comments and would like to continue to improve our service.

Thank you from the Solid Waste Department and the City of Clinton.

Turn to page 13 to see more information about recycling over the holidays, plus the 2019 recycling calendar.

CALENDAR PARKING

Calendar parking shall be activated with the occurrence of a Snow Event, which is defined as the accumulation of one inch (1”) or more of snow upon the public right-of-way.

1. During the period from November 15th through March 15th, when a Snow Event has occurred, parking is restricted in the public right-of-way to alternate sides of the roadway in the following manner:

a. On odd-numbered days, vehicles shall only be parked, stopped or left standing on that side of the roadway having odd-numbered addresses.

b. On even-numbered days, vehicles shall only be parked, stopped or left standing on that side of the roadway having even-numbered addresses.

2. A Snow Event will remain in effect for 24 hours after the snow has stopped.

3. The hours for calendar parking will be from 9 A.M. to 6 A.M. Vehicles will have three (3) hours to be moved to the correct side of the roadway to avoid risk of civil citation.

4. The date at 6 A.M. shall determine if the day is odd or even.

5. During a Snow Emergency, Calendar Parking shall be in effect – except on designated snow routes where no parking will be permitted until the Snow Emergency has been cancelled.

6. This ordinance shall not apply to commercial districts where parking is designated on both sides of the street.

Don’t Forget to Register Your Pets for 2019!

The City’s fee for pet registrations has not changed. It is still \$10 per animal and is good for the calendar year running January 2019 – December 2019. The license form can be found on the City’s website at [www.cityofclintoniowa.us](http://www.cityofclintoniowa.us) under the Finance Department > Forms.

**5 Reasons to Get Your Animal Licensed**

Being a pet owner requires all sorts of responsibility. One that is often overlooked is registering your pet with your city government and getting your dog or cat licensed. The American Humane Association indicates that 62% of U.S. households own a pet. Another national average indicates that only 16% of pets are estimated to be licensed in the United States. Failing to license your pet can hinder your chances of getting him back if picked up by the pound, and can get you in trouble with the law.

If the above isn’t reason enough for you to properly register your pets, here are a few more reasons why you should:

1. It is the law. In most states, it’s mandatory that pet owners have their animals licensed. If you get caught without a license, which can and does happen, you will be hit with a hefty fine.

2. If your pet goes missing, having him licensed drastically improves your chances of getting him back. A license tag helps animal control and shelters quickly identify your pet and get him back to you safely. If your pet is found wandering the streets, a rescue organization can easily look up your pet via its license identifying number. Animals that are licensed tend to be kept at the shelter longer than unlicensed animals.

3. The cost of the license is far less than the penalty for being caught without one. If a city official finds your pet without a license, you could be cited with a municipal infraction or civil penalty, and subject to a fine of up to \$500.

4. Licensing lets people know that your pet is up to date on its rabies vaccinations. An animal cannot be licensed unless it is properly vaccinated. Animal control or a Good Samaritan will be much more likely to want to handle and care for your missing pup if they know that it is healthy and sans rabies.

5. License fees support the efforts of many local animal shelters. If you purchase your pet license at the Humane Society, half of the annual fee that you pay to license your pet goes to the shelter to help keep the shelter running.

**Where to get your pet licensed**

You may visit City Hall; you may purchase at the Humane Society; you may purchase from Midwest Pets for Life at their portable spay/neuter clinics; or you may apply for a license by mail. [www.cityofclintoniowa.us](http://www.cityofclintoniowa.us)

**What is required to get a license?**

All dogs, cats and ferrets over four months and older must be licensed. In order to apply for a pet license, you must provide a certificate showing that your pet is up to date with its rabies vaccinations.

If you license your pet in one city and then move to another, you may need to apply for a new license. Check with your city for more information.

## Openings On Boards And Commissions:

The City of Clinton currently has openings on the following Boards and Commissions:

- ADA Advisory Commission
- Board of Appeals (Vehicles for Hire)
- Housing Board of Appeals
- Mayor's Youth Commission – Middle School Students
- Mayor's Youth Commission – High School Students
- Monument Committee (middle or high school student)

Interested applicants must be a resident of the City of Clinton and cannot serve on more than two City boards or commissions. Women and minorities are encouraged to apply. Applications can be found in the document center of the City's website as well as at the City Clerk's office in City Hall. For questions, please call the Clerk's office at 244-3421.

## City Hall Closing

### STAFF DEVELOPMENT DAY - MONDAY, NOVEMBER 12TH

City of Clinton's City Hall will be closed on Monday, November 12th. for staff training. All City services will continue as normal for solid waste and recycling collection, MTA, Police, Fire, Parks and Recreation and RWRF.

### HOLIDAY CLOSURES:

Thursday, November 22nd, Friday, November 23rd, Monday, December 24th,  
Tuesday, December 25th, Monday, December 31st, Tuesday, January 1st.

## City Facilities - Holiday Closures

All City Facilities will be Closed in observance of the following holidays:

### THANKSGIVING DAY – THURSDAY, NOVEMBER 22ND

**Solid Waste and Recycling Collection:** No Collection on Thanksgiving Day. Thursday's Route will be collected Friday, November 23rd. Friday's Routes will be collected on Saturday, November 24th.

### CHRISTMAS HOLIDAY – MONDAY, DECEMBER 24TH & TUESDAY, DECEMBER 25TH

**Solid Waste and Recycling Collection:** Regular Collection of Routes on Monday, December 24th. No Collection of Routes on Tuesday, December, 25th. Collection will be one day behind starting with Tuesday's route on Wednesday, December 26th and ending with Friday's route on Saturday, December 29th.

### NEW YEAR'S HOLIDAY – MONDAY, DECEMBER 31ST & TUESDAY JANUARY 1ST

**Solid Waste and Recycling Collection:** Regular Collection of Routes on Monday, December 31st. No Collection of Routes on Tuesday, January 1st. Collection will be one day behind starting with Tuesday's route on Wednesday, January 2nd and ending with Friday's route on Saturday, January 5th.

## Street Sweeping

As Autumn commences and the leaves begin to change color and fall, the Street Department will start the street sweeping process at the south end of town and work their way to the north end of Clinton. Please be advised, the entire process may take up to 4 weeks to complete. PLEASE do not rake any leaves into the street, as the debris clogs the catch basins and storm sewers, which can lead to backups.

## Daylight Savings Time Ends

Don't forget to turn your clocks back on Sunday, Nov. 4th and change the batteries in your smoke alarms! If you do not have a smoke alarm, please contact the Clinton Fire Department at: 563-242-0125 to schedule an alarm installation.

## Burn Rules

From October 1 - November 15th, the City of Clinton will allow open burning for those with lots one acre or larger on Tuesday, Thursday and Saturdays between the hours of: 10 am – 5 pm, weather and wind permitting. Fires must be no closer than 25 feet to a structure or other combustible material. Open burning is limited to: piles of clean, dry, untreated wood and lumber and landscape waste. The piles should not be burned larger than 3 feet in diameter and 2 feet high. All fires must be attended by an adult with an extinguishing agent readily available.

## Animal Protection

All animal complaints should go to the Police Department Animal Protection Officer at 243-1458. If there is a situation that requires assistance, another department may be asked to assist.

## Snow Emergencies

When predictions indicate the need for a snow emergency, or a snowfall of 4 inches or more occurs, the City Administrator or authorized representative shall declare a snow emergency and shall notify the news media to publicize the proclamation and the parking rules thereunder.

## Reminders: Large Item Collection & Used Sharps

The City of Clinton no longer provides Large Item Collection – for persons needing to dispose of large items, they may be taken directly to the Clinton County Area Solid Waste Agency.

Following Clinton County Area Solid Waste Agency requirements, the City of Clinton does not collect and/or dispose of used sharps, as they pose a potential threat

to the Sanitation workers. However, residents may transport and dispose of sharps collected in an empty laundry soap container, labeled and dropped off free of charge at the Clinton County Area Solid Waste Agency.

Clinton County Area Solid Waste Agency - 4292 220th St. - Clinton, IA 52732. For questions, please call 563-243-4749 or visit the website at: www.ccaswa.com

# A Message From...

## The City Of Clinton Mayor And City Administrator

**Matthew Brooke**  
City Administrator

It is always interesting how each year continues to go by faster and faster. Now we are on the eve of the Holiday Season as the fall edition of the Lighthouse is released. The entire team hopes that all the Clinton Citizens are still enjoying having City updates, reminders and the ability to cut some of them out and hang on the refrigerator next to the kids or grandkid pictures. Whether it is recycling week, when yard waste finishes up for the year, upcoming road projects, when the Library programs are happening or a reminder to register your pets. The intent, as the title "Lighthouse" is to provide light and guide the Citizens through transparent communications and highlight the great and wonderful things that are going on in the City of Clinton.

We have been thinking about what makes a great city. Many folks will discuss the beauty of a city, how convenient it is, how well-managed but would argue it really is about the people that shape the city and what they can do to make a city great. Like Clinton, a city needs to be a dynamic, constantly changing place that residents and leaders can modify and improve to

satisfy the demands. A great city also has history, politics, economy, and layout. It is not these aspects alone, rather it is about the relationship between the people and the public realm, and how they have interacted throughout history to create a great City.

In the book "What Makes a Great City" by Alexander Garvin, he explains that a great public realm attracts and retains the people who make a city great. He describes exactly what the term "public realm" means, and its most important characteristics. The public realm is a vital aspect of the built environment that helps to give a city its identity. It primarily consists of the roadways, sidewalks, parks, plazas, and other open spaces that comprise the arteries and focal points of the urban framework.

In addition to the public realm, we believe that a great city also provides a quality public transportation system. The number of buses, routes and passengers in Clinton Iowa is atypical and sets the standards. There are not only in Clinton, but the region, countless dining options with too many to count well established restaurants and even two new Japanese restaurants just recently

opening up. The commute is extremely short if you work in the region with an outstanding River and skyline view. Another key item to great cities are Social Clubs. This holds true in Clinton from Rotary, Lions Club, Kiwanis, wine tasting, fitness, knitting and clubs for all types of folks to be a part of. Next comes Entertainment, which comes in a lot of forms: from our School team competitions from band, sports and educational, to free parks, the River, Finally Fridays, Music on the Avenue, the Showboat, countless bands at the Wild Rose and throughout the bar scene. Next would be the great cities that have diverse food, people, things to do and the neighbors are

interesting. Strong Schools and Community groups which continue to land at the top of schools throughout Iowa. Finally, great Cities are energetic – Cities bustling with energy. There are always people around doing something, and that can be very exciting.

It is truly wonderful to live in the United States of America and have the freedom to live, work and play how we best see fit. As you enter into the Holiday season, give thanks for what we truly have as a great City, help your neighbor, look out for those in need, build strong relationships with our community and Inspire Clinton!

*Mark S. Vulich*  
Mayor Mark Vulich

CLINTON POLICE DEPARTMENT

AXON CITIZEN

Thanks to smartphones, evidence is everywhere. In a recent survey, 21% of responders said they had video or photo evidence that could help an officer's investigation. Yet, nearly 40% did nothing with it.

Collecting and managing digital evidence has become a top concern for police agencies especially during high-profile cases or major crises. Unfortunately, time constraints, in-person witness corroboration, and evidence sorting pitfalls hinder efforts. As a result, crimes can go unsolved. Axon Citizen can help.

Axon Citizen is a public safety portal provided by Axon, the same company that provides body camera services to Clinton PD. When an officer or detective learns that a citizen has captured media relevant to an ongoing investigation, CPD will be able to invite the citizen to upload the media to a website — Evidence.com — managed by the department.

Axon Citizen simplifies the evidence-collection process by providing officers and the community quick and secure tools for submitting and verifying media. The key features of Axon Citizen, including:

- The one-on-one community evidence submission portal
- A community-wide, broadcast tool that allows CPD to request evidence from the public
- The triage tool which sorts and identifies the most relevant evidence that's submitted during a crisis

The Clinton Police Department will begin using this new software to allow citizens to upload video footage of police interactions for ongoing investigations.

The system will be useful in supplementing body camera footage. Citizen footage will give CPD a more complete picture of an incident, especially when citizens film an incident before officers arrived on the scene.

In addition to collecting footage, Axon Citizen tracks, organizes and tags the media in a way that makes it easier for CPD to use for ongoing investigations.

The new program is more efficient than having citizens turn in their devices to download the footage. Instead of taking that device, downloading the information off of that device, putting that information on a file or disk and then inventorying it, we don't need to take the device.

To access Evidence.com, citizens must receive an email or text invitation from the department.

Finding evidence is easy. Collecting, vetting, and securing it is another story. Axon Citizen accelerates the review of video evidence so officers can spend more time solving the crime and less time processing mass amounts of data.

CHECK YOUR CHECKS

Where's your checkbook at - right now? Is it in your purse, do you leave it in your car, or in a kitchen drawer at home? How about your extra boxes of blank checks. Where are they? Do you keep them in your night stand, a desk drawer, or a shoe box in the closet? Do you believe they are safe there?

We've written about crimes of opportunity in earlier Lighthouse articles. In those articles we encouraged you to keep your car locked and take your keys with you, to keep personal property such as lawn mowers and bicycles put away in a locked garage, and generally take away the opportunity for a passerby with ill intentions to make you a victim.

In this issue, lets focus on another crime of opportunity that you may not think about until it happens to you. That is, personal check security. In today's age of debit and credit cards, check writing may seem old fashioned. In a way, it is because carrying around a check book is inconvenient. Writing the check at the checkout counter is inconvenient, and if I'm the person behind you in line, it's inconvenient! Checks are easily lost, stolen, or forgotten about. However, checks still serve a valid purpose. Checks are useful in making payments for rent or other higher dollar amount purchases or bills.

Clinton Police Department investigates several cases involving checks that were lost, stolen, or the amount and payee was changed. Also, criminals find old checks from closed accounts that were found in basements, drawers, or the trash. The criminals fill out these old checks and pass them at a local business. The check is returned to the business unpaid and the account holder is held responsible.

To protect yourself, try to implement some of these tactics to help you avoid being defrauded:

- Limit your check writing as much as possible. Pay credit card and utility bills on line. Sign up for online auto-pay so that the money is directly withdrawn from your checking account each month.
- Always complete a check using a pen with ink that cannot be erased or chemically washed off of the check.
- When mailing a check, don't use your mailbox. This is an opportunity for criminals to steal your check and alter it for their benefit. Take your check to the post office or a US Post Office mailbox.
- Don't leave check books in your car. At home, keep your check book and extra pads of checks in a secure lockbox.
- Shred or otherwise destroy all obsolete checks from closed or old accounts that aren't used any longer.
- Reconcile your monthly bank statement promptly.

Any time you write a check, you are essentially handing out your bank's name, routing number and account information, along with your name, address and other identifiers about yourself. These are the keys to your financial kingdom.

We hear every day from people who thought they would never be a victim of crime. Take the steps necessary today to protect yourself from this crime of opportunity.

CLINTON ANIMAL PROTECTION OFFICER

The Clinton Police Department is proud to announce the hiring of Jaci Mulholland as the Clinton Police Department's Animal Protection Officer (APO). APO Mulholland started September 25, 2018 and is currently in training. The APO is a new position in the department and will have a greater range of authority then the past Animal Control Officer position. Once the APO position is up and running, APO Mulholland maybe required to attend the Iowa law Enforcement Academy and become a sworn Police Officer. Successful graduation as a Police Officer will also strengthen the authority of the APO position.

The Animal Protection Officer will be responsible for impound, confiscate or quarantine stray, injured or aggressive domestic or wild animals capable of spreading disease or posing a threat to public health or safety, and investigate

citizen complaints pertaining to animal related calls such as barking, running at large, cruelty, mistreatment / neglect and prohibited animals. APO Mulholland will issue citations in violation of Clinton City ordinance with regard to the health, safety, welfare, control and licensing of animals. She will also conduct follow up investigation from other Officer initiated animal related incidents.

Officer Mulholland is a true animal lover and will promote responsible pet ownership and education of the Clinton animal ordinance via presentations in classrooms, social clubs, safety events and neighborhood meetings.

We are happy to have APO Mulholland and believe she is a perfect fit for the position. Please continue to report your animal concerns to the Clinton Police Department at 563-243-1458.

IOWA'S "MOVE OVER" LAW EXPANDS

Effective July 1, 2018, Iowa's "Move Over" law had changes that motorists need to know about. To give you a brief history, Iowa first put the law (Iowa Code 321.323) in effect in 2002. In 2002, only certain emergency and maintenance vehicles were included in the law. In 2017, it included utility vehicles and others working along the roadway. The 2018 version of the law now includes any/all vehicles displaying flashing or hazard lights, including private vehicles who may be stopped due to emergencies or vehicle trouble.

If you have to pull over in an emergency situation, turn on your flashers. This allows motorists to see you better. If you are driving and see a vehicle

(any vehicle) on the side of the road with its hazard lights on, you need to move into a lane not adjacent to the stationary motor vehicle if possible. If a lane change is impossible, prohibited by law, or unsafe, then a driver must reduce the speed of the motor vehicle to a reasonable and proper speed for the existing road and traffic conditions, which speed shall be less than the posted speed limit, and be prepared to stop. This is for the safety of everyone.

The penalty for violating the Move Over law is \$100 plus surcharge and court costs. If this involves an accident, the driver may also lose their license.

## CLINTON FIRE DEPARTMENT

## “WHAT WE DO”

The Clinton Fire Department was established in 1890 as a full-time career organization, and today is an ISO 2 rated department, providing Fire, Rescue, and Emergency Medical Services (EMS) to the City of Clinton, Iowa, population 26,872. Our primary response district encompasses 36 square miles, in a mixed use of urban, residential, industrial, and rural settings. Through legal agreements, we also provide our services on an automatic and mutual aid basis to our surrounding neighbors in Clinton County, Iowa and Whiteside County, Illinois.

CFD operates out of three fire stations, including:

- Central Fire Station (Station 1) 344 3rd Ave. S. – Built 1937
- Chancy Fire Station (Station 2) 2303 S. 14th St. – Built 1957, addition 2011
- Lyons Fire Station (Station 3) 2311 Roosevelt – Built 1914

**Staffing**

CFD operates with 45 full time employees. Administration is overseen by the Fire Chief, and the Building Department, which operates as a branch of CFD, is supervised by Battalion Chief Jeff Chapman. One additional staff position, which oversees training and EMS, is Battalion Chief Greg Forari. We operate three separate duty shifts, with each shift being staffed by a Battalion Chief, three Lieutenants, five Engineers (Drivers), and five Firefighters. Shifts work 24 hour days, starting at 7:00 a.m., utilizing a “California Swing” schedule of 1 day on, 1 day off, 1 day on, 1 day off, 1 day on, 4 days off.

**Minimum Staffing**

Clinton Fire Department follows a minimum staffing rule of 11 firefighters on any given shift. This means that if a shift falls below 11 person staffing, due to vacations, sick leave, etc., extra staffing will be called in at overtime pay. By proactively monitoring the schedule, CFD management reduces this overtime possibility by shifting firefighters per the union contract.

National Fire Protection Administration (NFPA) recommendations for safe fire ground operations indicate that 11 person staffing does not meet the threshold of safety. We overcome this with the use of Automatic Aid, whereby we depend on an additional fire company from another department to be dispatched to the scene of a structure fire call.

**Services Provided by CFD**

Fire/Rescue – Includes fire suppression for industrial, commercial, and residential, as well as our agricultural residents. Haz - Mat response at the Operations level, high angle and rope rescue, confined space entry, water and ice rescue, vehicle extrication, and ground search and rescue.

All of our firefighters are trained at the Firefighter II level at minimum, and all of our officers are at least Fire Officer I designation. These are nationally certified credentials. Many have advanced training in the disciplines listed above.

A stat worthy of mention from 2014 is that the total valuation of structures responded to for fire calls was \$11,087,900 and the reported property loss collectively for those structures was \$1,122,616. This equates to \$9,965,284 in value of property saved for the year, which can be attributed to adequate response numbers (thanks in part to auto-aid agreements), highly trained and strategically deployed firefighting crews, and proper and well maintained equipment.

**Emergency Medical Services (EMS)**

All of our firefighters are all trained to respond at the Paramedic Specialist level, which is also a nationally certified credential. Our fire based EMS model and the geographic deployment of our resources allows for quick patient response times, allowing a better chance for positive patient outcomes.

EMS Response – Our EMS crews in 2014 had an initial unit response time to 78.92% of all calls in under 5 minutes or less, with a full response time of all units called less than 9 minutes for 98.11% of calls. The 5 minute mark falls short of the National Standard of 90%, while the 9 minute mark exceeds.

One of the most impressive stats for 2014 is in the case of CPR calls. CFD responded to 42 full “codes”, where a patient was absent a palpable pulse and breathing. Of the 42 patients, 16 were delivered to the hospital with a pulse, and at least 8 left the ER alive. This far exceeds the American Heart Association percentage of 10.4 percent, and can be directly attributed to fast response times and the high level training and experience of our EMS responders. (CY 2016 stats available soon)

**Fire Prevention/Public Education/ Fire Investigation**

Using on-duty staff, CFD takes an aggressive approach towards delivering our fire prevention message to the community. We try to encompass all age groups, but focus primarily on school aged children and our seniors. Utilizing our fire prevention trailer, and a robotic helper named “Freddie”, we take our message to the streets any chance we get.

Also, per Iowa law, we actively investigate all fires for cause. Utilizing again our trained staff, we work very hard to determine what causes a fire, and then hopefully use that data to drive our fire prevention message. When fires fall into the “arson” category, CFD staff, in conjunction with CPD investigators and the State Fire Marshal’s Office, work hand in hand to collect evidence, interview those involved, and prosecute the guilty.

**Building and Neighborhood Services (BNS)**

2014 was our first full year providing operational leadership to the Building and Neighborhood Services division. Under the direction of Battalion Chief Jeff Chapman, the operation there has been reorganized, with an emphasis on consistent and fair enforcement of the codes, and customer friendly service to those who use the departments and its services.

Some of the highlights since CFD has assumed oversight at BNS were credentialing of inspectors, and the adoption of a current family of codes. We now have certified inspectors in commercial and residential building codes, commercial and residential electrical codes, plan review, and soon commercial and residential plumbing. As of January 1, 2015, the 2012 family of ICC Codes are in effect.

## SWORN IN:

Mayor Vulich swearing in new Engineers Ryan Prior, Mitchell Jahns, and Jeffrey Willing.

# PARKS & RECREATION DEPARTMENT ACTIVITIES

“WE WORK... SO YOU CAN PLAY!”

The Parks and Recreation Department and Administrative Office, better known as the Ericksen Community Center, is located on the northern most part of 148 acres of Emma Young Park. We have three ASA certified softball fields, four tennis courts, a cross country running trail and a playground. The Parks and Recreation Department offers over 170 recreation programs designed for all ages from preschoolers through young adults, adults and seniors. Implementation of these programs, is accomplished by two full-time program professionals, a full-time administrative specialist, two permanent part-time center staff, 150 seasonal and part-time activity staff, 300 volunteer coaches and program volunteers.

1401 11th Avenue North, Clinton IA 52732 | P: 1-563-243-1260 | F: 1-563-242-6131 | [www.cityofclintoniowa.us/departments/recreation](http://www.cityofclintoniowa.us/departments/recreation)

## EMPLOYMENT OPPORTUNITIES:

**Eagle Point Lodge Attendant:** This position is for Friday, Saturday, and Sunday, with possible other hours as needed by scheduling.

**Summer Camp and Pool Staff for 2019:** Applications are available January 2 - March 29, 2019.

Applications are available at the Ericksen Community Center at Emma Young Park. Applications will begin to be taken January 2- March 30, 2019 for summer seasonal employment.

## LOOKING FOR A COLLEGE INTERNSHIP PROGRAM?

Set up a time with Cathy Marx, to discuss possibilities.

## KINDERGARTEN FOR PUPPIES

Puppies must be a minimum of twelve weeks old and no older than five months. This class is designed to introduce you and your puppy to a collar and leash, to endure handling and to obey simple commands. Also, helpful hints on grooming, housebreaking, gnawing, and chewing.

A soft, light-weight nylon non retractable leash is required. Proof of distemper, kennel cough (12wks), rabies (4mos) and parvo shots must be presented at time of registration (marked receipt from vet).

**WHO:** Adults  
**LIMIT:** 6 minimum; 12 maximum  
**INSTRUCTORS:** Judy May and Evie Siems  
**LOCATION:** Riverview Pool Bathhouse for 6 weeks  
**FEE:** \$37 per person/Late registration, if available \$44.00  
**DATES:** Session I: January 10 - February 14, 2019  
Registration Period: Now thru January 4  
Session II: February 28 – April 4, 2019  
Registration Period: Now thru February 22  
**DAY & TIME:** Thursday 6:30pm - 7:30pm

## DOG OBEDIENCE

This class is designed to help you learn how to train your dog by being consistent with your commands. By knowing what verbal commands and hand signals to give to your dog. Any breed of dog will be accepted provided they are at least six months of age, have proof of rabies vaccination, kennel cough, distemper, and parvo shots required at time of registration.

A 6' leather or nylon non-retractable leash is required. The canine good citizenship test to be taken during the final class. Recommended that the same person should handle the dog at each session.

**WHO:** Adults  
**LIMIT:** 6 minimum; 12 maximum  
**INSTRUCTORS:** Judy May and Evie Siems  
**LOCATION:** Riverview Pool Bathhouse for 6 weeks  
**FEE:** \$37 per person/Late registration, if available \$44.00  
**DATES:** Session I: January 10 - February 14, 2019  
Registration Period: Now thru January 4  
Session II: February 28 – April 4, 2019  
Registration Period: Now thru February 22  
**DAY & TIME:** Thursday 6:30pm - 7:30pm

## DOG AGILITY TRAINING

This long awaited course will give dogs an exposure to jumps, contact obstacle, weave poles, and the basics of canine agility. All breeds of non-threatening dogs allowed, AKC certification not required. Owners must provide a leather or nylon leash and collar. The main prerequisite is that the dog must be able to effectively work off leash.

**PREREQUISITES:** Dogs must be nine months old minimum, and show proof of successful completion in a dog obedience class prior to participation.

**WHO:** Owners with dogs 9 months plus  
**LIMIT:** 5 minimum; 8 maximum  
**INSTRUCTORS:** Judy May and Evie Siems  
**LOCATION:** Riverview Pool Bathhouse for 7 weeks  
**FEE:** \$42 per person/Late registration, if available \$44.00  
**DATES:** Session I: January 8 - February 19, 2019  
Registration Period: Now thru January 4  
Session II: March 5 – April 16, 2019  
Registration Period: Now thru February 22  
**DAY & TIME:** Thursday 6:30pm - 7:30pm

## PET PICTURES

Professional photographer, James Perron, will take pictures of your pets on Saturday, November 17, 2018, 10:00 a.m. to 3:00 p.m. at the Ericksen Community Center. Appointments are necessary and may be made by contacting Judy May, Dog Obedience Instructor at 563-249-4132.

You will receive a 3"x5" and 5"x7" photo for the \$16.00 fee. Enlargements and reprints available upon request. All posing challenges are accepted for single or group. The event is co-sponsored by Animal Birth Control.

## REGISTRATIONS ACCEPTED ONLINE:

Go to [www.cityofclintoniowa.us/Department/Recreation](http://www.cityofclintoniowa.us/Department/Recreation).  
Along left side of screen, choose desired program area.  
You will need to create a log in and password. Start registering!

## 2020 RESERVATIONS FOR THE LODGE OPEN JANUARY 2, 2019

### SPECIAL EVENT PLANNING

“HEY COACH” – SOCCER COACHES WANTED

This is what a team of kids would call you if you volunteer to coach for a team. Teach the fundamentals of passing, dribbling, defense and shooting in a fun age-appropriate environment. Coaches will organize practices and set-up plays for their team. A coach’s meeting will be held a head of time to explain the program and handout materials. Coaches must fill out a Coach’s Application and complete a background check. All forms are available online or at the Recreation Department Administrative Office located at 1401 11th Ave. N., Clinton.

GINGERBREAD PROGRAM

Make from scratch your very own gingerbread house to enjoy throughout the holiday season. Your house will be decorated with all kinds of “sweets” that will be provided for you. All houses will be made with graham crackers for easier handling and decorating. Children 5 and under must be accompanied by an adult. Children may get messy, so please dress appropriately. Save the clean-up for us and enjoy some quality family time. Additional family member that wants to make a gingerbread house is \$7 a house. Pre-registration is required.  
**COST:** \$10 per Gingerbread House, additional family member \$7. All supplies provided.  
**DATE & TIME:** Friday, November 30th 10am-11:30 am & Saturday, December 1st 10am-11:30am  
**AGES:** At least 3 years old to 12 years old  
**REGISTRATION DEADLINE:** Monday, Nov 26th at 5pm. Limited spots are available. Program at the Ericksen Center.

## WHAT'S NEW IN TECH AT CPL

The Clinton Public Library is proud to bring new tech to the area so that patrons of all ages can experience creating, making, discovering, and playing with the latest in programming, coding, 3D modeling, 3D Printing, Virtual Realities, and more!

**3D Printing**

3D printing has been a growing trend in the past few years, and we are excited to unveil a new program to introduce 3D printing to you. Our Monoprice 3D printer is now available to the public so that you can print your 3D creations starting at .25 per gram. Want to learn how to 3D model? We are currently offering Tinker Cad classes on Saturdays so that you can create your own 3D object to print out. In October, we'll show you how to design and print your very own Jack-o-Lantern. For more information, visit us in the Children's Department on the second floor or call and ask for Eric or Gabi!

**Robotics and Electronics**

Thanks to everyone who participated in our first ever Electronics Camps this summer using our littleBits Gizmos & Gadgets kits. Due to its overwhelming success, we're partnering with Scott Community College next summer to expand our current electronics and engineering programs! We're also excited to be adding a Lego Mindstorms EV3 set as well as 6 Tin Can Robots to our collection. To learn more about when the next Electronics or Robotics camp will be held, please call the library and ask for Eric or Gabi in the Children's Department.

**Augmented & Virtual Realities**

The Clinton Public Library is excited to announce that we are partnering with Microsoft and receiving two Virtual Reality headsets and two desktop computers. Patrons will be able to experience virtual and augmented realities first hand and use the devices for learning, training, and more!

Next time you're in the library, be sure to come to the Children's Floor and ask to see our Merge Cubes and Quiver coloring sheets for more fun ways to experience Augmented Realities. Design and bring your own Jack-o-Lantern to life without the mess with Quiver Vision augmented reality. Or, build a Minecraft-like 3D world with one of our Merge Cubes!

**Laptops & Computers**

The Children's Department will be receiving 10 new laptop computers. Laptops will be used exclusively so that kids can learn how to code and program as well as be able connect with the Khan Academy to help with school.

The Clinton Public Library is dedicated to making sure patrons of all ages have access to tech opportunities. Follow us on Facebook and be sure to check our website for the latest in Tech at the library!

## SEPTEMBER'S AMNESTY MONTH

In September, Clinton Public Library decided to run an amnesty month, where we would waive past fines on overdue materials and work with patrons on lowering costs that were owed to the library for lost materials. We had an amazing response to this program. We waived over \$4,000 worth of fines and received nearly 50 of our books and DVDs back! In addition, we released our new library card to the public. If you haven't done so already, come to the library and update your card and see what's new at the library!

## CLINTON PUBLIC LIBRARY'S AMNESTY MONTH

## INFORMATION FOR TEENS

Did you know the library has a space just for teens for ages 12 to 18? Come visit our Teen Loft. We have books, magazines, manga, graphic novels, comic book volumes, audiobooks, and DVDs. We have comfortable lounge chairs to sit and read in, and plenty of tables to do homework, group projects, or play tabletop games. We also have six computers with access to the internet and Microsoft Office, perfect for putting together presentations or writing that research paper, playing Roblox or Youtube.

The library has events just for teens like weekly gaming, a Pokémon club, and fun monthly events like our after-hours movies nights. Check our Facebook page @ iacpl and website [www.clintonpubliclibrary.us](http://www.clintonpubliclibrary.us) for event information.

## NEED VOLUNTEER HOURS?

Sign up for our volunteer Teen Advisory Board (TAB), to help create and run programs, suggestions for books and other materials for the Teen Loft shelves. TAB can be used for volunteer hours for school and looks great on resumes, honor society groups, and college applications.

Would you like to volunteer more regularly? Come in and talk to Kendra about other volunteer opportunities.

## CLINTON MUNICIPAL AIRPORT

## AIRPORT IMPROVEMENTS

## Environment Safety – Out with the Old and In with the New!

The Clinton airport added two new underground fuel tanks with a grant from Iowa Department of Transportation, which were installed last year in November. The new tanks hold 10,000 gallons of AvgAs and 12,000 gallons of JetA gasoline. This allows the airport to provide 24-hour service for our customers, which provides on average of 83,000 gallons of gas per year.

The old tanks that were 28-year-old, were removed in August. The tanks had potential for leaking due to age. A grant from the Iowa Department of Natural Resources funded a majority of this project for protection of our environment.

## Taxiway

The Clinton Airport is seeing a change in the sizes of jets that are using our facility. This means we need to change our facility for use to better serve our customers. Construction work with reconfiguring and pavement started on Taxiway D to meet the current Federal Flight Administration (FFA) specifications. The project is funded by the FFA

and is estimated to be completed by November 2018.

## Habitat for Humanity's Touch – A - Truck

For the past 3 years, the Clinton Airport has hosted Habitat for Humanity's Touch-A-Truck event. Several local companies showcase their equipment and trucks for children. This year, we had a showcase of fire trucks, emergency equipment, semi-trucks, construction equipment, and many more vehicles. The Experimental Aircraft Association (EAA) Chapter 75, treated over 30 children to Young Eagle airplane rides, which were taken over

the following weekends due to the in climate weather at the event.

Follow us on Facebook at Facebook.com/FlyClinton  
Hours of Operation: M-F 8am-5pm  
Phone: 563-242-3292

## STREET / PUBLIC WORKS DEPARTMENT

## Severe Weather Preparedness

- Listen to local area radio, NOAA radio or TV stations for the latest information and updates.
- Bring your companion animals indoors and maintain direct control of them.
- If you are driving, stay aware of driving conditions – such as snow and ice – and adjust driving time accordingly.
- If strong winds and blowing snow impede driving, pull over and park until conditions improve.
- And we would like to add: **Be ready.**
- Assemble an emergency kit now. Talk with your family about how you would contact each other, or where to meet, in the event a storm.

## Lead Hazard Control Funds

The City of Clinton in partnership with the City of Maquoketa was awarded \$1,500,000 in Lead Hazard Control Funds and \$150,000 in Healthy Homes Supplemental Funds from the U.S. Department of Housing and Urban Development. The program anticipates that 64 homes will receive funds under this program with approximately 21 in the City of Maquoketa and 43 in the City of Clinton. The East Central Intergovernmental Association (ECIA) will be administering the grant for the Cities.

The Lead Hazard Control Funds is grant funding in the form of a three-year forgivable loan that will be used to assist in lead hazard remediation of owner-occupied and renter-occupied units. Eligible families must meet the income guidelines and have a child in the home under the age of 6. Lead hazards exist when lead paint deteriorates on the surface by chipping, peeling or flaking. The program is designed to help keep kids lead free by reducing children's exposure to lead hazards in the home.

The Lead Hazard Control program are available at both the Clinton City Hall, 611 South 3rd Street and Maquoketa City Hall, 201 Pleasant Street. Applications will be processed in the order received, on a first come first served basis. Applications can be returned to City Hall or sent to ECIA at: 7600 Commerce Park, Dubuque, IA 52002. Questions regarding the program should be directed to Nicole Turpin at: 563-690-5771.

## CITY OF CLINTON'S NEW EMPLOYEE SPOTLIGHT

2018 HAS BROUGHT MANY NEW FACES TO OUR CITY DEPARTMENTS!

WE ARE EXCITED TO RECOGNIZE THE 20 NEWEST MEMBERS OF OUR CITY TEAM – ALL JOINING US IN CALENDAR YEAR 2018.

**Clinton Police Department**

During the Fiscal Year 2018 budget process, there were two new officer positions that were able to be budgeted for! Then one of our team left for another post – which gave us the opportunity to welcome 3 new officers to our sworn staff.

**Alex Dodd**, age 21, joined the Clinton Police Department on January 2, 2018. Officer Dodd is a lifelong Clinton resident; is a member of the United States Marine Corps Reserve; and has a degree in Criminal Justice from St. Ambrose University. Since his hire, Officer Dodd has completed the Iowa Law Enforcement Academy and our field training program. Officer Dodd is assigned to the Patrol Division as a patrol officer.

**Sean Patterson**, age 28, joined the Clinton Police Department on April 23, 2018. Officer Patterson is also a lifelong resident of Clinton County; has served with the United States Marine Corps; and has a degree in Criminal Justice from Brown Mackie College. Officer Patterson has completed his training at the Iowa Law Enforcement Academy and is currently in our field training program. Officer Patterson will be assigned to the Patrol Division as a patrol officer upon his successful completion of the field training program.

**Jonas Robbins**, age 23, joined the Clinton Police Department on April 23, 2018. Officer Robbins is originally from Rock Falls, IL and currently resides in Clinton. Officer Robbins has degrees in Psychology and Business Administration from Augustana College. Officer Robbins has completed his training at the Iowa Law Enforcement Academy and is currently in our field training program. Officer Robbins will be assigned to the Patrol Division as a patrol officer upon his successful completion of the field training program.

**Jaci Mulholland**, age 23, joined the Clinton Police Department on September 25, 2018, as our Animal Protection Officer. Jaci is a lifelong resident of Clinton County and looks forward to working with the public and enforcing state and local ordinances as they relate to animal protection in the City of Clinton.

**Streets & Solid Waste Department:**

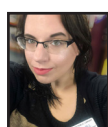

**Franklin Whittington**, III is our newest member of the Streets and Solid Waste Department. He was hired as a Laborer, a position that had just been brought back to the department through union negotiations last fall. Frank's first official day was September 18th, but he had been working with us since August 21st through Temp Associates. Frank is married to Katie and they have 4 children. He and his family love spending time outdoors, especially fishing and swimming.

**Clinton Public Library:**

**Gabriella Torres** is the Youth Services Librarian and Co-Assistant Director at the Clinton Public Library. Born and raised in Clinton, Gabi spent 15 years living in New York City and Seoul, South Korea, before realizing there truly is no place like home. Gabi likes to spend her time making slime, playing with new technology, reading stories, and singing songs to kids. When she's not in the library, she likes to play open mics at The Living Room, walk along the riverfront, and eat all the tacos and ice-cream.

**Eric Kershner** has joined the Clinton Public Library as a Technology Coordinator. Eric is a lifelong Clinton resident, who graduated from Clinton High School in 2003 and is currently attending Clinton Community College to get his degree in IT/ Augmented and Virtual Realities. Eric first became interested in robotics, engineering, and technology while working at Collis. Since then, his interests have expanded to include AR/VR, 3D modeling, programming, coding, and graphic design. Eric's primary duties at the library include developing our technology programing, writing grants, 3D

modeling, 3D printing, and telling bad jokes.

**Jill O'Neill** is the Public Services Librarian and Co-Assistant Director at Clinton Public Library. Prior to starting at Clinton Public Library, Jill worked at the University of Iowa Hospitals and Clinics Patient Library and received her Masters in Library and Information Science from the University of Iowa. While at U of I Jill was part of the Carnegie Libraries in Iowa Project and did research on the Clinton Public Library! Jill is an avid baseball fan, and has a passion for the Iowa Hawkeyes. In her spare time Jill writes for Public Libraries Online.

**Selena Ferguson** is a part-time circulation clerk at the Clinton Public Library. Selena moved to Clinton 2 years ago from the St. Louis area with her husband and 7 children, ages 2 to 14. Selena's children are her whole world and most of her free time is spent at their sporting and music events. Selena grew up in Farmington, IL where her mother was the director of the public library there, and inspired her to love books and reading.

**Parks & Recreation Department:**

**Dustin Krogman** – Full-Time Grounds/Turf Technician – Parks & Recreation Dept.

Dustin began with the Parks & Recreation Department in July of 2018. Dustin is a graduate of Kirkwood Community College with a degree in Sports Turf Management. Dustin made an immediate impact with his knowledge of Turf Management and previous grounds-keeping experience. Dustin recently moved back to the area after spending 5 years in Cedar Rapids managing a Lawn Care business. Dustin enjoys spending time with his family and working on their new home.

**Monica Brewer** – Permanent Part-Time Clerk/Reception – Parks & Recreation Dept.

Monica began with the Parks & Recreation Department back in March of 2018 in the Administrative Office. Monica played a crucial role in launching the Departments first ever Parks Ambassador Program. Monica is a graduate of Marantha Baptist University with a Bachelor of Science and biology. Monica has lived in the area most her life, where she enjoys spending time with family and attending Church.

**Mankato Stonebrook** – Permanent Part-Time Laborer – Parks & Recreation Dept.

Mankato recently joined the Parks & Recreation Department in September. Mankato has a degree from Iowa State University in Forestry highlighting Conservation Restoration. Mankato had previously spent his last 8 months in Minnesota performing tree surveys for the US Forest Service. Mankato quickly jumped in, working on clearing the Trails Systems in Eagle Point Park.

His knowledge will be an asset to our Department. In his spare time Mankato is an avid outdoor enthusiast.

**Brandon Haines** – Permanent Part-Time Program Manager – Parks & Recreation Dept.

Brandon recently joined the Parks & Recreation Department in September, filling the vacant Program Manager position for youth sports. Originally from Fairfield, IA, Brandon attended Ashford University where he received his degree in Sports and Recreation Management while also playing baseball there. Brandon is excited to be a part of the Parks & Recreation Department where he will put his love of sports into practice as the Program Manager. In his spare time, Brandon enjoys spending time with his family and friends, boating, riding motorcycle, playing sports and coaching.

**Clinton Fire Department:**

The mission of the Clinton Fire Department Emergency Medical Services Division is to 'Promote and Protect the health of our residents and visitors through Emergency Medical Services'. This is accomplished by our 45 uniformed men and women maintaining a state of readiness in order to respond to (and mitigate medical events and other types of) emergencies so that the citizens and visitors of Clinton can survive these unexpected tragedies. We provide the public with expert and timely life support services. In order to accomplish our goal, all fire fighters are trained within the fire department's Recruit Academy – completing 240 hours of training. This training consists of Haz-Mat Operations; FFI; and FFI levels consistent with the Iowa Fire Service Training Bureau standards.

**Nick Sellnau** – Firefighter

Nick Sellnau was hired May 10, 2018 to fill the rank of firefighter / paramedic. Nick is a lifelong resident of Clinton County growing up in Charlotte, Iowa. Nick attended Northeast High School during which time he spent a semester job shadowing at the Clinton Fire Department. On June 18th, Nick was assigned to A-shift where he continues to complete the required on duty testing ranging from maps to firefighter skills while learning the City of Clinton and the CFD's policies and SOG's. Nick successfully completed testing at the National and Iowa Paramedic level in July.

**Zach Reifinger** – Firefighter

Zach Reifinger was hired May 11, 2018 to fill the rank of firefighter / paramedic. Zach is currently looking to move to the City of Clinton from Fulton, Illinois. On June 19th, Zach was assigned to C-shift where he continues to complete the required on duty testing ranging from maps to firefighter skills while learning the City of Clinton and the CFD's policies and

SOG's. Zach is working towards finishing his Paramedic class to gain his Iowa Paramedic license and is working to complete his FF certifications.

**Ben Johnson** – Firefighter

Ben Johnson was hired May 14, 2018 to fill the rank of firefighter / paramedic. Ben is a lifelong resident of Clinton, Iowa. Ben attended Clinton Schools and up till his hiring at the Clinton Fire Department, he worked for the Clinton Regional Water Reclamation Facility (RWRF). On June 20th, Ben was assigned to B-shift where he continues to complete the required on duty testing ranging from maps to firefighter skills while learning the City of Clinton and the CFD's policies and SOG's. Ben is currently enrolled in the EICC (Eastern Iowa Community College) Paramedic Program with classes ending at the end of June 2019. At the completion of the class Ben will challenge the Iowa test to obtain his Paramedic license.

**Riley Bly** – Firefighter

Riley Bly was hired August 1st, 2018 to fill the rank of firefighter / paramedic. Riley is a lifelong resident of Clinton, Iowa. Riley attended Clinton Schools and up till his hiring at the Clinton Fire Department, he worked for a local construction company bidding and completing large contracted commercial construction jobs. On October 3rd, Riley was assigned to C-shift where he continues to complete the required on duty testing ranging from maps to firefighter skills while learning the City of Clinton and the CFD's policies and SOG's. Riley is currently enrolled in the EICC (Eastern Iowa Community College) Paramedic Program with classes ending at

the end of June 2019. At the completion of the class Riley will challenge the Iowa test to obtain his Paramedic license.

**Justin VanDellen** – Firefighter

Justin VanDellen was hired August 2nd, 2018 to fill the rank of firefighter / paramedic. Justin is currently looking to move to the City of Clinton from Fulton, Illinois. On October 2nd, Justin was assigned to A-shift where he continues to complete the required on duty testing ranging from maps to firefighter skills while learning the City of Clinton and the CFD's policies and SOG's. Justin is working towards finishing his Paramedic class to gain his Iowa Paramedic license and is working to complete his FF certifications.

**Tanner Regenwether** – Firefighter

Tanner Regenwether was hired August 1, 2018 to fill the rank of firefighter / paramedic. Tanner was a resident of Central, Iowa until he

moved his family here to start his career with the Clinton Fire Department in August. On October 1st, Tanner was assigned to B-shift where he continues to complete the required on duty testing ranging from maps to firefighter skills while learning the City of Clinton and the CFD's policies and SOG's. Tanner is currently enrolled in the EICC (Eastern Iowa Community College) Paramedic Program with classes ending at the end of June 2019. At the completion of the class Tanner will challenge the Iowa test to obtain his Paramedic license.

**Municipal Transit Administration:**

**Robert Selzer** – Part-Time ParaTransit Driver

Bob is new to the Clinton area, moving here from Arkansas in April 2018. He began working for the MTA on August 6, 2018. Bob and his wife Nancy have 4 children and 3 grandchildren. In his free time Bob enjoys spending time with his family and golfing.

**Animal License Application Renewal Form**

## REGIONAL WATER RECLAMATION FACILITY

## WHAT IS F.O.G.?

The type of F.O.G., that the Regional Water Recovery Facility (RWWRF) is talking about is not the fog you see in the air. We are talking about the fats, oils, and grease (F.O.G) that can go down the drain and cause major problems. When we say major, we are talking drain and pipe clogging, backups and so much more! No one will enjoy the mess that can occur from poor management of F.O.G.

The City of Clinton has a program to assist restaurants and other food establishments with a rebate of up to \$1,500.00 for installation of a grease interceptor. This will help with controlling the amount of grease, fats and oils leaving your facility into the sewer system. This is a requirement for all restaurants by the Code 52.038 (A)(1) by June 30, 2020, will be subject to a penalty of \$50.00 per day of non-compliance.

After July 31, 2020, daily fines assessed under this subsection shall cease and any person or entity not in compliance shall be subject to termination of service pursuant to Code

52.041. They are also subject to any other penalties provided for in this Chapter, the Iowa Code, or any other federal laws or regulations.

How can a restaurant be in compliance and receive the rebate? Visit [cityofclintoniowa.us](http://cityofclintoniowa.us) and go to Regional Water Recovery Center. Click on F.O.G and find the application. This is an online form and will allow for the RWWRF and Building and Neighborhood Services (BNS) to be notified that your business wants to start the application process. BNS will handle the plumbing permit portion of the program and RWWRF will work on the permitting for the F.O.G. program.

Once both departments have reviewed the information, inspected the facility and the equipment, the business is eligible for the rebate. All F.O.G participants are inspected early for their program. Any questions regarding F.O.G. can be directed to RWWRF at 563.243.4064.

Code 52.038 (A)(1) is part of the EPA Code for water reclamation facilities and F.O.G Programs.

## WHAT CAN RESIDENTS DO FOR F.O.G.?

Residents are just as responsible for fats, oils, and grease as restaurants are. Here are few tips for preventing clogged pipes, sewer backups, and other issues associated with F.O.G. at home.

- Do not dump free flowing oils down the drain.
- Wipe off dishes that have oil residue before washing.
- Keep drains clean of food debris
- Clean out the strainer in your dish washer

## Deep Frying A Turkey for the Holidays?

## What you can do with the oil afterwards?

- Do not dispose of it down the drain!
- Wait until the oil cools and put it into a container that will hold it with a lid. (Use the container the oil came in)
- Take the cooking oil to the Clinton County Area Solid Waste Agency, 4292 220th St., Clinton, IA for proper disposal. This is part of the Regional Collection Center Program and there is no charge for this service.

## STREET / PUBLIC WORKS DEPARTMENT

## CITY OF CLINTON WORK TICKETS

Did you know that anyone can submit a work order ticket to the City of Clinton for services, community concern, or any other issue that they would like to report on?

Visit [www.cityofclintoniowa.us](http://www.cityofclintoniowa.us) and click on "Contact Us"

You will go into the support center home for the City of Clinton. This area allows for tickets to be created and sent to departments to address your concern. You can follow up on your concern with the number assigned with the request.

## Recycling for the Holidays

A friendly reminder to recycle during the holidays!

- Always rinse out containers.
- Break-down cardboard to get more items in your cart.
- Purchase recyclable wrapping paper. No metallic.
- Reuse containers for gift giving.
- Make sure you check your recycling week for November and December 2018.

## November 2018

CITY OF CLINTON  
AUTOMATED SOLID WASTE PROGRAM

- GREY CART = SOLID WASTE
- GREEN CART = YARD WASTE
- BLUE CART = RECYCLING

## DO:

- Place cart in the appropriate location on collection day with arrow pointing in the proper direction
- Carts need to be out by **7 AM** on collection day
- Place all trash bags in the proper grey cart
- Place all yard waste (grass, leaves) in the proper green cart
- All recycling in the proper blue cart
- Make sure the lid is closed properly at time of collection
- Place cart away from garages, homes, recycling buckets, parked cars, etc. on collection day
- Return the cart to your house/garage when empty

## Please put items in the correct containers:

- Only recycling belongs in the blue cart.
- Only waste belongs in the grey cart.
- Only yard waste belongs in the green cart
- **The city will not collect the waste unless it is in the proper container**

## DO NOT:

- Put hazardous waste, paint cans, oil or electronic waste in the cart
- Put construction debris in the cart
- Put hot ashes in the cart
- Overfill the cart or pack trash too tightly
- Do not park any vehicles near the carts on collection day
- Paint or write on the cart except in space provided on the cart lid or remove the cart from your residence

If you have any questions regarding collection, please contact the City of Clinton Public Works Office at: 563-242-2144

**REMINDER:** Yard waste collection ends on November 30th OR, the first snowfall - whichever comes first.

## Why Does Yard Waste Collection End for Winter?

Winter months slow down the need for yard waste collection. We also know that yard waste can freeze in yard waste carts, which causes issues for dumping of materials and can damage carts.

We also use our staff between collections and streets, which we need to be ready for winter weather. As you may notice, we push collection days back if we have a large snowfall.

## Collection Times for Yard Waste

**STARTS:** First Week of April

**Ends:** Last Week of November or the First Snowfall

## Acceptable Paper Items:

Newspaper	Office Paper	Catalogs
Magazines	Phonebooks	Cereal Boxes
Shoe Boxes	Corrugated Cardboard	Shredded Paper
Paper Egg Cartons	Tissue Boxes	Mail
Snack Boxes	Pop Cartons	Paperback Books
Greeting Cards (No Metallic)	Hardback Books (Covers Removed)	Toilet/Paper Towel Rolls
Gable Top Container (Orange Juice or Milk Carton)	Cans for Chips and Nuts (Ex: Pringles)	

## Acceptable Containers :

Plastic #1 - 7, which include:		
Cleaners	Food Containers	Detergent/ Bleach
Milk	Shampoo & Conditioner	Cosmetics & Lotions
Soft Drinks	Water & Juice	Cooking Oils
Flower Pots		
Metal		
Aluminum Cans , foil, and Pans	Coffee Cans	Tin and Metal Food Cans
Glass (Food Grade Only)		
Beer Bottles	Juice Containers	Food Containers
Pop Bottles	Wine and Liquor Bottles	

Recycling has been made as simple as

1. Can I recycling this?
2. Rinse out the container.
3. Put it in your cart!

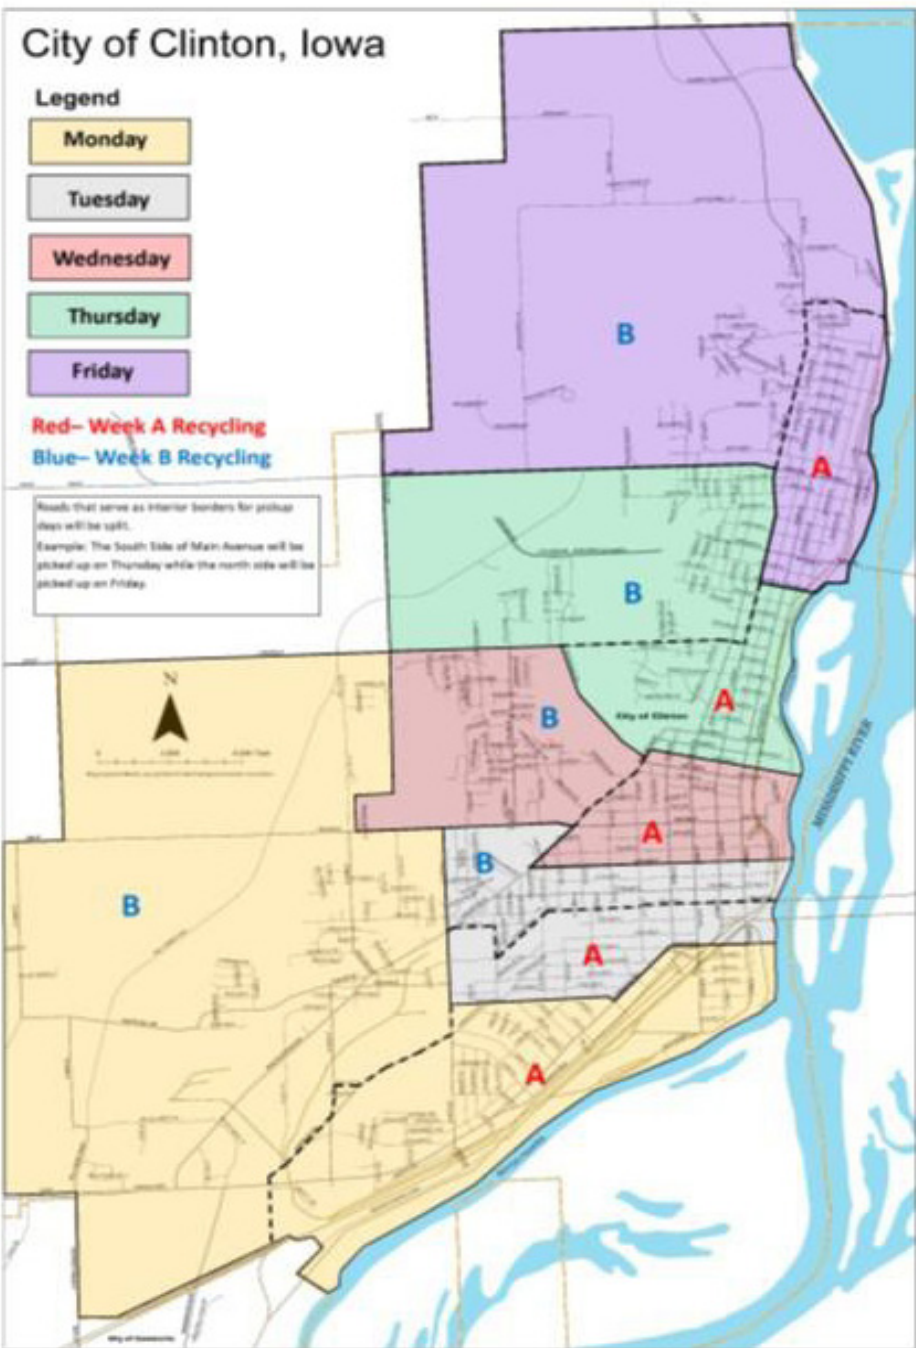

The list on this page has what can be recycled and a few items that are not allowed in the program.

Recycling is made as convenient as possible for your family to recycle in Clinton, Iowa.

You can always check the top of your recycling cart to make sure that your item is recyclable, look at this chart, or check out the City of Clinton's website at [www.cityofclintoniowa.us](http://www.cityofclintoniowa.us)

Please DO NOT recycle the following items in your cart:

- Styrofoam, Plastic Bags (take back to grocery stores that accept them)
- No Food Residue or Grease Stains,
- Gift Wrap or Greeting Cards with Metallic Designs
- Window Glass, Glass Dishes, or Ceramics
- Aerosol Cans
- Metal Building Materials or Scraps

2019

Single - Stream Recycling

Please look at the map and see which week your recycling will be collected. **Week A is in RED** and **Week B is in BLUE**.

Please remember to give at least 3 ft. of space between all carts collected by the City of Clinton. Thank you for recycling

**Is your employer a YW Workplace Wellness participant?**  
**Call 563-242-2110 for details on how you can save!**

### InBody Composition Analysis

## InBody

WHAT ARE YOU MADE OF?

**AVAILABLE NOW AT YWCA CLINTON!**

Body composition analysis is essential to completely understand health and weight, as traditional methods of assessing health, such as BMI, can be misleading. Going beyond your bathroom scale, body composition analysis breaks down your body into four components: fat, lean body mass, minerals, and body water.

No other device in the world can perform in the way that the InBody device can. The InBody line of body composition analyzers is the most advanced, accurate and precise line of BIA devices because of InBody's four core technologies.

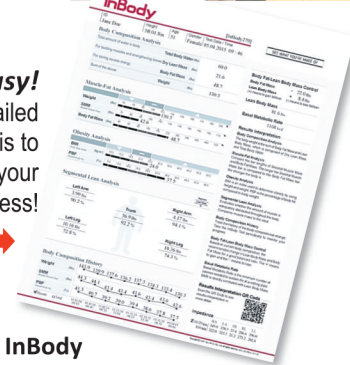

**CALL TO SCHEDULE YOUR INBODY ANALYSIS TODAY: 563-242-2110**

→ Find pricing info at [ywcaclinton.org](http://ywcaclinton.org), Search: InBody

**! Mention "Lighthouse Ad" and SAVE \$5 OFF your next InBody scan, thru 12/31/18 !**

**Quick & Easy!**  
Receive detailed analysis to monitor your progress!

### YWCA After School & Wed at YW

#### After School Care at YWCA Clinton for kids in K-5th grades

Give your kids a fun, safe and activity-filled place to spend their after-school hours...Sign them up for our YWCA Afterschool Adventures Program!

Our after school program is available from dismissal to 5:30pm and is filled with activities that build upon what kids learn in the classroom with a focus on exploration, imagination and creativity!

YWCA Afterschool Adventures is a fun blend of physical activity, crafts, games, swimming, homework time, visits from community partners and nutritious snacks.

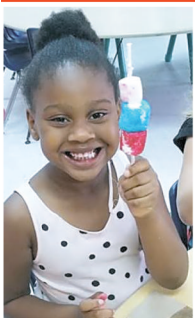

*Limited Wednesday-Only Spots Still Available*  
**Registration forms available at YWCA front desk .**

Call 563-212-4001 with questions.

Wednesday-only care is also available through our Wednesdays at the YW program. In each program, kids are conveniently bussed from Clinton elementary schools. (Need care after 5:30pm? Please contact our Children's Center at 244-8340 & ask about our Extended Care Program.)
